Dear Sir,

Search of Parish Records

Thank you for your letter requesting searches under the Hope surname viz. Baptism entries for the periods 1837 - 1840 and 1790 - 1819; Marriage entries for the period 1810 - 1820.

Please find enclosed certified copies of the original records totalling nine Baptism entries and one Marriage. There are also eight Baptism entries under the Surname Noyes during the period 1790 - 1819 and one Marriage entry during the period 1810 - 1820 under the surname Noyes. Details of these can be supplied on request.

Having checked again the entry of Baptism for David on 29th December 1822, I confirm that the copy already sent to you is correct - the surname of Charles and Hannah is given as Noyes and there are no corrections or marginal notes in the original entry. I leave you to decide whether David was a Hope or Noyes!

I gratefully acknowledge receipt of your money order for £ 30 which I calculate to be sufficient to cover Fees for the information enclosed.

Sincerely,

Derek H. Hunt.
